

Oceanic 46 -For Sale \$62,000 USD

A high performance cruiser, aft cockpit, masthead rigged with cutter stay. Custom designed & built by Parks Craft (Australian builders of the Oceanic 42 & 46 yachts) Built in 1987, with a Full interior & exterior Refit/reconfiguration completed 2005

This Australian registered yacht was built as a performance yacht, she sails extremely well in light breezes and few boats will stay with her close hauled upwind, which means you rarely need to motor-sail. And she has no trouble handling rougher sea's & high winds when the need arises - (watch the attached Video of Daimouse sailing in a Gale).

The current (Husband & wife) owners of 18 years have sailed extensively in the tropics to 12 different countries & report fast comfortable passages. The yacht is Currently laying to a mooring in the Philippines at Puerto Galera Yacht Club. In 2020 at the start of the covid pandemic the owners returned to Australia, their circumstances have recently changed (medical) and they now have no other choice but to sell the Yacht quickly by advertising her at a bargain price 40% lower than she would sell for in Australia.

3 x double berth cabins, (plus swing-up saloon bunks & drop table for an extra 5 bunks)

Sail wardrobe -130% Genoa, 115% & 100% headsails, 1x Staysail, full Batten mainsail with 3 reefing points, asymmetrical spinnaker. Storm jib & try-sail
